As soon as you walk through the front gates of The Hacienda, you travel back in time to a more relaxed and romantic era. Once part of an orange and avocado ranch from the early 1900s, this whitewashed adobe and its charming courtyards is now one of Orange County's most popular wedding locations.

Two settings are available for both ceremonies and receptions. The Inner Courtyard with an ivy-covered balcony, an abundance of potted flowers and a three-tiered fountain in the center give the space an Old World atmosphere. Indoor events are hosted in the Taos Room and Courtyard, a beautiful 20-foot ceiling room adjacent to the covered garden courtyard. It has a Southwest flavor, with its 200-year-old decorative doors carved from Mexican mesquite wood, oversized fireplace, antiques and original artwork.

The Hacienda is staffed with trained wedding coordinators, who assist in the planning and execution of your perfect day! We also specialize in all types of events from baby and bridal showers to anniversaries, birthday parties and corporate events.
